The National Societies report to The Society and the publisher of ACTA on changes in membership, addresses etc.</p>	<p>§ 6 Members As members of The Society can be admitted:</p> <p>Full members Full members of The National Societies are automatically full members ("Full Members") of The Society. Full membership of more than one National Society only admits to single membership of The Society.</p> <p>The membership continues as long as the full membership of The National Society continues. A Full Member cannot resign from The Society without resigning simultaneously from the member's National Society.</p> <p>Resignation or expulsion can only take place on a national level in accordance with the rules in force for the relevant National Society.</p> <p>Associate members Other persons or organisations with a special interest in the objectives, aims and activities of The Society can be admitted as associate members ("Associate Members"). Written application for associate membership shall be addressed to The Board, who decides on admission.</p> <p>Honorary members The General Assembly can appoint honorary members ("Honorary Members") on the recommendation of The Board as an appreciation of exceptional achievements within the scope of the specialty or extraordinary efforts contributing greatly to the development of The Society.</p> <p>Full Membership as well as Associate and Honorary Membership includes a subscription on the journal ACTA. The National Societies report to The Society and the publisher of ACTA on changes in membership addresses etc.</p>
---	--

§ 8 Membership Fee

The membership fee including the subscription fee for ACTA, is decided by The General Assembly on the recommendation of The Board. The fee is paid as part of and together with the membership fee to The National Societies.

Members under basic education and training receive ACTA at a reduced subscription fee, as agreed by The Board and The Acta Anaesthesiologica Scandinavica Foundation ("The Foundation").*

Retired members are entitled to a reduced membership fee stipulated by The Board, and receive ACTA at a reduced subscription fee as agreed by The Board and The Foundation. The Board may decide that Associate Members, in particular organisations, shall pay higher membership fees than the ordinary fee decided by The General Assembly.

Members who are Full Members of more than one National Society shall only pay a single membership fee to The Society.

Arrears with the payment of membership fee are treated in accordance with the rules in force of the relevant National Society.

§ 9 The General Assembly

The General Assembly is held biennially in connection with the congress and has the final authority of The Society.

The General Assembly is open to all members of The Society. The General Assembly takes place according to an agenda laid down in § 10 of these articles.

At The General Assembly proposals are put to the vote, and there will be an opportunity to ask questions or raise matters for discussion.

The General Assembly is called by announcement on the Internet home page of The Society with at

§ 7 Membership Fee

The membership fee ~~including the subscription fee for ACTA,~~ is decided by The General Assembly on the recommendation of The Board. The fee is paid as part of and together with the membership fee to The National Societies, ~~which transfer the fee to the Society.~~

~~Members under basic education and training as well as members who have retired from active work receive ACTA at a pay a reduced subscription membership fee. as agreed by The Board and The Acta Anaesthesiologica Scandinavica Foundation ("The Foundation").*~~

~~Retired members are entitled to a reduced membership fee stipulated by The Board, and receive ACTA at a reduced subscription fee as agreed by The Board and The Foundation.~~

The Board may decide that Associate Members, in particular organisations, shall pay higher membership fees than the ordinary fee decided by The General Assembly.

Members who are Full Members of more than one National Society shall only pay a single membership fee to The Society.

Arrears with the payment of membership fee are treated in accordance with the rules in force of the relevant National Society.

§ 8 The General Assembly

The General Assembly is held biennially in connection with the congress and has the final authority of The Society. The General Assembly is open to all members of The Society. The General Assembly takes place according to an agenda laid down in § 10 of these articles.

At The General Assembly proposals are put to the vote, and there will be an opportunity to ask questions or raise matters for discussion.

The General Assembly is called by announcement on the Internet home page of The Society with at

least a months notice. Proposals for the agenda should be with The Secretary-General at least six weeks before The General Assembly.

§ 10 Agenda

The agenda of The General Assembly shall comprise the following matters:

Election of a chairman of the meeting.

A report by The Board on matters and activities since the last general assembly and on plans for the future.

A report by The ACTA Committee on matters, activities and plans concerning the editing, publishing and managing of ACTA.

A report by The Educational Committee on matters, activities and plans concerning education and training.

A report by The Clinical Practice Committee on matters, activities and plans concerning quality standards, recommendations and clinical guidelines.

Reports by any other permanent or ad hoc Committees or expert working parties appointed by The Board on matters, activities and plans within their specific terms of reference.

A report by The Foundation on matters, activities and economic affairs within the scope of authority determined by the charter of The Foundation.

Submission of the annual audited accounts for the last two financial years for approval.

least a month's notice. Proposals for the agenda should be with The Secretary-General at least six weeks before The General Assembly.

§ 9 Agenda

The agenda of The General Assembly shall comprise the following matters:

1. Election of a chairman of the meeting.

2. A report by The Board on matters and activities since the last general assembly and on plans for the future.

3. A report by The ACTA [Editor-in-chief](#) on matters, activities and plans concerning the editing, publishing and managing of ACTA.

4. A report by [The Educational Committee](#) on matters, activities and plans concerning education and training.

5. A report by The Clinical Practice Committee on matters, activities and plans concerning quality standards, recommendations and clinical guidelines.

6. [A report by The Research committee on matters, activities and plans concerning grants, and incentives to increase collaborative research within the Scandinavian countries](#)

7. Reports by any other permanent or ad hoc Committees or expert working parties appointed by The Board on matters, activities and plans within their specific terms of reference.

8. A report by The Foundation on matters, activities and economic affairs within the scope of authority determined by the charter of The Foundation.

9. Submission of the annual audited accounts for the last two financial years for approval.

10. [Relief of responsibility of the board for the reviewed financial years.](#)

<p>Submission of a budget for the next two years for approval. Decision on membership fee based on the recommendation of The Board. Election of members of The Board.</p> <p>Election of auditor.</p> <p>Proposals, if any, from The Board or members. Any other business.</p> <p>The reports by The Board, The Committees and The Foundation, and the accounts, the budget, the agenda for The General Assembly and any proposals shall be set down in writing and shall be made easily accessible to the members by publication on the Internet home page of The Society, or as an advertisement or newsletter accompanying ACTA, or in any other way at least one month before The General Assembly. The documents shall also be available to the members at The General Assembly.</p> <p>§ 11 Voting At The General Assembly the Full Members have one vote and are eligible for The Board. Associate Members and Honorary Members (unless also Full Members) have no voting powers and are not eligible for the Board. Voting can take place by proxy according to a written power of attorney. Each member may, however, only hold 5 powers of attorney. All members have the right to speak at The General Assembly.</p> <p>§ 12 Majority At The General Assembly all decisions shall be passed by a simple majority of votes unless otherwise provided for in these Articles of Association.</p>	<ol style="list-style-type: none"> 11. Submission of a budget for the next two years for approval. 12. Decision on membership fee based on the recommendation of The Board. 13. Election of members of The Board. 14. Election of auditor. 15. Proposals, if any, from The Board or members. 16. Any other business. <p>The reports by The Board, The Committees and The Foundation, and the accounts, the budget, the agenda for The General Assembly and any proposals shall be set down in writing and shall be made easily accessible to the members by publication on the Internet home page of The Society, or as an advertisement or newsletter accompanying ACTA, or in any other way at least one month before The General Assembly. the member countries. The Committee has 6 members and consists of the Acta Editor in Chief and one member from each of the member countries. The boards of the National Societies nominate the members. The Board appoints the chairperson of the Research Committee. The electoral period is four years. Re-election can take place for periods of two years.

The Election Committee

The Election Committee elicits one candidate for each vacancies on The Board as President, Secretary-General and Treasurer no later than six months before The General Assembly, taking into consideration that the members of The Board elected by The General Assembly to the greatest possible extent shall rotate among the member countries, cf. § 14, section 2, above.

The Committee has 6 members and consists of the past chairperson of the congress, who shall serve as chair, and the past chairpersons of each of The National Societies.

Ad hoc Committees and Expert Panels

When appropriate The Board of The Society can appoint ad hoc Committees or expert working parties or panels in order to work out proposals or recommendations according to a specified temporary mandate.

§ 17 Economic Affairs

The income and assets of The Society shall be used to finance and support the objects, aims and activities of The Society, including the subscription of ACTA and the congresses. The Society shall consolidate its equity to a reasonable level in order to be able to cover any future losses.

Profits can with the approval of The General Assembly be transferred to the Acta Anaesthesiologica Scandinavica Foundation to increase the capital of The Foundation.

The Board shall establish a bank account with a well-reputed bank to hold all cash assets of The Society. Any investment in securities can only take

can take place for periods of two years.

The Research Committee

The Research Committee promotes the scientific co-operation and network between the member countries. The committee handles applications for SSAI research grants with a priority to clinical, epidemiological and educational projects (in all aspects of the specialty) involving more than one of the member countries. The Committee has 6 members and consists of the Acta Editor-in-Chief ([chairman](#)) and one member from each of the member countries. The boards of the National Societies nominate the members. ~~The Board appoints the chairperson of the Research Committee.~~ The [appointment](#) period is four years. [Reappointment](#) can take place for periods of two years.

The Election Committee The Election Committee elicits one candidate for each vacancies on The Board as President, Secretary-General and Treasurer no later than six months before The General Assembly, taking into consideration that the members of The Board elected by The General Assembly to the greatest possible extent shall rotate among the member countries, cf. § 14, section 2, above. The Committee has 6 members and consists of the past chairperson of the congress, who shall serve as chair, and the past chairpersons of each of The National Societies.

Ad hoc Committees and Expert Panels

When appropriate, The Board of The Society can appoint ad hoc Committees or expert working parties or panels in order to work out proposals or recommendations according to a specified temporary mandate.

16 Economic Affairs

The income and assets of The Society shall be used to finance and support the objectives, aims and activities of The Society, including the subscription of ACTA and the congresses. The Society shall consolidate its equity to a reasonable level in order to be able to cover any future losses.

Profits can with the approval of The General

<p>place with the approval of The Board of The Society.</p> <p>§ 18 Budget The Board shall make a budget for the approval of each General Assembly to cover budgeted income and expenditures over the next two years.</p> <p>§ 19 Annual Accounts The annual accounts shall present truly and fairly the assets and liabilities and the economic state of affairs of The Society and the result of its activities.</p> <p>§ 20 Auditor A chartered public accountant elected by The General Assembly for two years shall audit the annual accounts. The auditor can be re-elected.</p> <p>§ 21 Publication of ACTA The Society has entrusted the publication of Acta Anaesthesiologica Scandinavica to The Acta Anaesthesiologica Scandinavica Foundation on specified terms. The right to publish the journal remains with The Society.</p> <p>§ 22 Dissolution Dissolution of The Society can only take place by a joint decision of all The National Societies. Such a decision shall be approved by the general assemblies of each of The National Societies.</p> <p>In the event of dissolution the assets of The Society are divided among The National Societies proportionally to the number of Full Members in each country at the time of dissolution.</p> <p>The Acta Anaesthesiologica Scandinavica Foundation is not affected by the dissolution and the right to publish Acta Anaesthesiologica Scandinavica is then entrusted freely to The Foundation as at the date of dissolution.</p>	<p>Assembly be transferred to the Acta Anaesthesiologica Scandinavica Foundation to increase the capital of The Foundation.</p> <p>The Board shall establish a bank account with a well-reputed bank to hold all cash assets of The Society. Any investment in securities can only take place with the approval of The Board of The Society.</p> <p>§ 17 Budget The Board shall make a budget for the approval of each General Assembly to cover budgeted income and expenditures over the next two years.</p> <p>§ 18 Annual Accounts The annual accounts shall present truly and fairly the assets and liabilities and the economic state of affairs of The Society and the result of its activities.</p> <p>§ 19 Auditor A chartered public accountant elected by The General Assembly for two years shall audit the annual accounts. The auditor can be re-elected.</p> <p>§ 20 Publication of ACTA The Society has entrusted the publication of Acta Anaesthesiologica Scandinavica to The Acta Anaesthesiologica Scandinavica Foundation on specified terms. The right to publish the journal remains with The Society.</p> <p>The Charter of The Foundation was signed in Reykjavik 15th June 1995 ("Fundats for Acta Anaesthesiologica Scandinavica Fonden"). The objectives of The Foundation are to promote the scientific development of anaesthesiology in the Scandinavian countries, to support the collaboration among Scandinavian anaesthesiologists and to publish ACTA. The governing body of The Foundation is a board of directors consisting of 7 members, of which 5 are national representatives appointed among the members of The Board of SSAI, while 2 are ex-officio members.</p>
---	--

§ 21 Dissolution

Dissolution of The Society can only take place by a joint decision of all The National Societies. Such a decision shall be approved by the general assemblies of each of The National Societies.

In the event of dissolution the assets of The Society are divided among The National Societies proportionally to the number of Full Members in each country at the time of dissolution.

The Acta Anaesthesiologica Scandinavica Foundation is not affected by the dissolution and the right to publish Acta Anaesthesiologica Scandinavica is then entrusted freely to The Foundation as at the date of dissolution.
