

SPONSOR & EXHIBITION INVITATION WELCOME

FINDING THE BALANCE
Reykjavík, Iceland 10-12 June 2026
www.ssai2026.is

Dear potential sponsor

It is our honor to invite you to the 38th biannual congress of the Scandinavian Society of Anaesthesiology and Intensive Care Medicine (SSAI) in Reykjavik, Iceland in June 10th-12th 2026

The congress contains an extensive and exciting program with lectures, workshops, simulation session and poster presentation, covering anaesthesiology and intensive care in its entirety, including all subspecialties (perioperative medicine, intensive care medicine, cardiothoracic anaesthesiology, pediatric anaesthesiology, obstetric anaesthesiology, pain medicine). The faculty is estimated to be around 70 individuals, including both members of the SSAI and other international guests.

When the congress was last held in Iceland in 2015 we had around 1100 participants and expect similar number of participants (1000-1200) this time, from all Nordic countries but we have also appealed to participants from other European countries and the USA.

Each day of the congress, there will be 4 symposium sessions, a workshop and a simulation session running in parallel. The program allows for up to 2 industry sponsored symposiums, up to 3 industry sponsored workshops and sponsored lectures. The program consists of morning and afternoon sessions and there are ample breaks (60 min at lunch and a 30 min break in morning and afternoon) that allow for interaction between sponsors and participants.

The venue is Harpan Concert hall in downtown Reykjavík (<https://www.harpa.is/en/conferences>) . This venue has received multiple awards for design and congress facilities and will surely set the stage for a successful congress.

Congress theme - Finding the balance

The congress theme is "Finding the balance." We will offer sessions where we intertwine this theme into the choice of speakers and topics to allow participants to explore how we all strive to find the correct balance in individual case management, in the way we organize our work environment, and how this affects the balance between our work and our environment and our work and personal lives.

Please find more information on the following pages and on the congress website (www.ssai2026.is). We look forward to seeing you in Reykjavík,

Professor Martin Ingi Sigurðsson, congress president

SPONSORSHIP OPPORTUNITIES

Four levels of sponsorship are available as set out below.

The benefits indicated are examples and can be tailored to your needs and style.

PLATINUM SPONSORSHIP (one Package)
